### *The Value of enthusiasm*

BELOVED FRIENDS OF LIGHT: I feel privileged to write you my heart's gratitude for the wonderful assistance, instruction and guidance given in THE BRIDGE to the children of Earth on the pathway of light leading Home. Every issue is anticipated and enthusiastically received and becomes a permanent item in my library of Truth. Blessings to all engaged in the compilation of THE BRIDGE and its distribution. Mrs. I. M., Aurora, Illinois.

EDITOR: The flame of enthusiasm is a splendid lever to open the doors of one's consciousness to receive Truth and to make it a part of one's storehouse of God-directed knowledge. As we all know, a stirring march or lilting music does much to spur on teams in athletic competition so does enthusiasm play a mighty part in the magnificent process in which the chelas are now engaged—that of becoming victorious over their lesser selves, thus permitting the Holy Christ Self to fulfill the Divine Edict for the individual lifestream.

### *Expansion of the Light*

DEAR FRIENDS OF "THE BRIDGE": Have just returned from a visit to a friend's home and as our conversation turned to things spiritual, she introduced me t your publications HOPE and THE BRIDGE. They are the very type of in struction for which I have been searching. Enclosed find my check to cover a year's subscription to each magazine. It is my understanding they begin with the April issue of each year. J. C., Pomona, Calif.

EDITOR: Greetings and welcome to our family. We are always so grateful when the light in one's heart expands and directs each dear lifestream to that particular facet of Truth to which the blessed one has an affinity. May you and all our good subscribers receive quickly the illumination for which their souls are searching.

## TEMPLE OF COMFORT, CEYLON

(September 15th through October 14th, 1958)

Located in Ceylon, the beautiful Island south of India, is the Focus of the Temple of Comfort, presided over in dignity and graciousness by the beloved Maha Chohan, Supervisor of the Seven Chohans and Representative of the Holy Spirit to this Earth.

So humble and unostentatious is He, that many of His servants do not know that He is an Ascended Being but merely love Him for His kindliness and courtesy. He maintains, for appearance sake, on the landed surface of the Island, a very beautiful tea plantation, and to this plantation come often, the dignitaries of many countries of the Occident to counsel with Him about the affairs, spiritual and secular of their respective nations. He always greets them warmly and gives what counsel they choose to receive, accept and apply. They return, then, to their countries enlightened and comforted by their Host, most of them totally unaware of the actual Being Who has royally and wisely entertained and counselled with them.

Under the surface plantation is the Temple of Comfort Itself, hidden from the eyes of the curious and protected against intrusion by any and all peoples who are not yet worthy of entering into and becoming an active part of the teachings and practices of the Holy Comforter and His Disciples. Thus, always, the *True Gurus* serve . . . . never giving cognizance to "position nor place" in so far as the world honors it, but always eager and desirous of giving assistance to any dear chela who has placed his or her feet upon the Spiritual Path which leads to enlightenment and ultimate Spiritual Freedom. There is no outer means by which any unascended being

can *force* him or herself into the Ascended Masters' Presence or into Their glorious Retreats, except by individual preparation of their souls, in true humility, and by having within themselves the motivating power of pure Divine Love for all life and an honest purpose, not a surface desire, to help in the program of the evolutions presently using the Earth for a Planetary Home. The beautiful Silent Watchers of each locality, with the inner vision, see and know the motivating power behind all such desires to sit at the Feet of the Ascended Masters. As surely as the Sun rises each morning and sets in silent but glorious splendor each evening, when any individual's aura and inner bodies indicate that they are ready for individual teaching, instruction and knowledge at the Feet of the Ascended Masters, means are provided *instantly* for such Assistance to be given them.

Therefore, it behooves each and every dear chela to prepare himself or herself to become *worthy* to be chosen by the Ascended Host as personal pupils. As most of the dear chelas know, the beloved Maha Chohan, until very recently, has not accepted personal pupils, leaving the instruction and preparation of their four lower bodies and the purification of their souls to the Seven Chohans, Who so lovingly and so reverently serve with Him and under His Supervision. In the New Cycle, however, He has opened the Doors of His Own Sacred Retreat to the worthy chelas of His Chohans and has offered in His Gracious Love, to teach any of them who so desire, to be a Comforting Presence to all life, as they return to their own spheres of influence. He has, further, applied to the Karmic Board, for the privilege of revealing to the earnest chelas many other Ascended Master Foci, so that the beloved chelas might participate in the services of The Great White Brotherhood while those services (connected with the progress and evolution of the Planet Earth) are currently active.

We, Who prostrate Ourselves before this Holy Presence, cannot emphasize enough how privileged are the chelas of today in having access to the Princely Presence of the Beloved Maha Chohan as well as opportunity, during this thirty day period, of entering His Temple of Comfort and learning from Him and His Spiritual Court the Way to become Comforting Presences while yet unascended. Take not lightly this magnificent dispensation, beloved, but avail yourselves of the opportunity, during each thirty day period, to enter the Homes and Retreats of the Ascended Host of Light. and—*particularly*—to visit the Maha Chohan, write your dear names upon the scroll at the door of the Flame Room, wherein the Comfort Flame rises, expands and enfolds the Earth—as one who desires to be comforted and then to be a Comforting Presence to all imprisoned life! Heretofore, the names of very few unascended chelas

were so written, as hopeful applicants for this privilege of entering the Temple of Comfort, and of these few, fewer still were accepted as worthy of the personal attention of the Beloved Maha Chohan, Himself. Like unto Lord Gautama, His Service and that of His Brotherhood, has been to impersonally radiate comfort to life, and the fact that He is willing, eager and desirous of accepting pupils at this time is very significant of the Cosmic Hour!

Even We, the Chohans, Who serve under Him, seldom called upon His priceless energy for counsel, endeavoring to spare His Precious Energy for Cosmic Service. In this present Dispensation, We are privileged to counsel with Him more often, but We never lose Our sense of reverence and gratitude for even a moment of His Precious Attention!

Our beloved Maha Chohan has chosen, through His own free-will, to invite the earnest and worthy chelas to His Temple of Comfort, to enter into the Sacred Flame Room, to counsel with Him, to receive from Him greater understanding by which each such a privileged one can intensify, with greater wisdom, his or her constructive activities on any one of the Seven Rays to which such a chela, by nature, belongs! For this courtesy, We are so grateful, as it greatly assists Us in helping Our chelas to develop their own latent talents, gifts, powers and services in the world of form. Through projected consciousness, either in sleep or in times of contemplation, the chelas are brought safely to the Temple of Comfort, enjoy Its beauty and the gracious hospitality of the Maha Chohan and then—when they have received all that their own dear consciousnesses can assimilate—they are, as carefully and kindly, returned to their physical vehicles to activate the teachings given, the radiation absorbed, the blessings received.

Do not, *ever,* take for granted this blessing. Accept it, always, as a *particular gift of grace* from the loving Presence of the Maha Chohan. Remind your outer consciousness *often* of the privilege that is yours and, always, enter His Temple of Comfort humbly, reverently and gratefully, as We do. Then We shall be happy, as your Sponsors and Gurus, to present you to Him that He may see the Light expanding within you and know that the Dispensation which He secured for you and the energy He has invested in you is truly worthy of His Kindliness and Graciousness in accepting you, each one, as a chela of His own! Thank you and God keep you always cognizant of the privilege that is yours today!

## MONTHLY LETTER TO TRANSMISSION CLASSES

September 20, 1958

MY BELOVED CHILDREN, SEEKING COMFORT AND DESIRING TO BECOME COMFORTING PRESENCES IN YOUR OWN SPHERES OF INFLUENCE:

"I Am" so grateful that in this Cosmic Hour there are, among the billions of lifestreams presently embodied upon the Earth, those few who are willing to apply directly to Me and to learn how to become an outpost of Myself in this physical world, wherein so much temporary distress and chaos disturbs the minds and feelings of the peoples!

I welcome you, each blessed one, to Ceylon and to Our Temple of Comfort. As any one of the Seven Chohans under My direction finds that your advancement in the use of knowledge already given to you warrants My Personal supervision of your further knowledge, I so willingly accept you for such training. Until that time, you are among those privileged to enjoy Our Comforting Presence, and, in the wise and protecting care of the beautiful lady Sponsors assigned to you, each dear heart, by Myself, you can come to Us, through the activity of projected consciousness, before going to sleep at night, as well as through the day, when you have time, *undisturbed,* to turn your attention toward Us.

Remember, beloved ones, when you are in a period of contemplation of Any Ascended Master Foci, to be sure your physical body will not be disturbed, as that shock to your four lower bodies, bringing your consciousness violently back to your natural orbit, is a deterrent to the natural spiritual blessing you would otherwise receive.

Please accept My gratitude for accepting My Presence and Reality. I shall be waiting for you to come to Me at Our Temple of Comfort.

Love and Blessings,

MAHA CHOHAN

## An Address by

## Our Beloved Lord Maha Chohan

July 1, 1958

FLOURTOWN, PA.

My beloved and blessed friends of Light, how grateful I Am among those chosen to present to you My heart-felt love for your desire to be a comforting Presence to life.

As the Representative of the Holy Spirit to this sweet planet Earth and all Its evolutions that are in distress, do you know how deeply My heart is touched when unascended beings, still feeling the power of their unredeemed destructive karma, desire to prepare themselves to become Representatives of Myself in the world of form, bringing God-Comfort, impersonally, to all life for the benefaction of all in distress?

Ah, My children, little do you know, even those of you who have the gift of true inner sight, and whose ears are attuned to the dissonant sounds of the Earth, how much Comfort all the life which uses the sweet Earth as a schoolroom require? For human pride ofttimes locks within the breast of the lifestream requiring the greatest assistance the required call for that Comfort. In the case of little ones that have not yet learned the use of words (such as animals) they have only their feelings to apply in their calls to their group souls, who in turn apply to me. Of course on the return current of my energy comes the humble gift of My Comfort to life.

### *Call Me Daily*

Beloved ones, there are those who have been recently released from the compound, there are those who have been awakened from the sleepers realm, where they were enjoying a sojourn where neither speech, feeling, thought nor action was required of them, who have not yet stretched forth their hands for Comfort. It is to the chelas, the unascended, that I make My plea that you, on behalf of all life—although it is not necessary to know the particular lifestreams nor conditions that require assistance—just once in every twenty-four period send your call to Me for Comfort for all life. That opens the door into the Realm Wherein I abide. Ask that the Comfort Flame flood forth in, through and around the Earth and all Its attendant evolutions. I will answer, and all the Angels of Comfort at Our Command will answer you.

Many, many in distress who know not how to call, or who are too stubborn or rebellious to call, will receive the Comfort which always precedes lasting peace. When the mind and outer consciousness is in distress, when the body is in pain, when the emotional world is disturbed, when the financial conditions of the present day temporarily are chaotic and changing and individuals are concerned about their very livelihood, they need Comfort and assurance, so that they can become still enough to receive the healing, the financial assistance required, faith in the light to help set them free from all distress, and the ministration of the Angelic Beings, the stimulant to the Holy Christ Self which externalizes the perfection of the Divine Plan through each individual who gives an opportunity so to do!

There is no unascended being who does not require Comfort before he or she can even concentrate upon the development of a constructive activity for the benefaction of the race, much less concentrate thought, feeling, word and action—for a lifetime—aye, for an eternity, to the establishment of God's Holy Will here on Earth as It is in Heaven. This Comfort brings Peace. This peace of mind, soul, thoughts and feelings allows the Truth now presented to you so freely—by Those of Us Who are interested in your specific lifestreams—to register in your outer consciousness. In that peace, you can concentrate upon the aspects of the Truth, which must appeal to you, having full freedom (not license) to utilize those aspects of Truth and bring forth manifestations of a lasting benefaction to the race.

### *Nada and Lanto, New Chohans*

Beloved ones, every one of the Seven Rays, as you know, is under My direct Supervision. There are magnificent unascended lifestreams on each one of these Seven Rays, as well, of course, as the magnificent Elohim, the Archangels, the Archaii and My Seven blessed Sons (The Chohans), and to Whom I have added the Daughter of Light, blessed Nada. Soon I shall accept in the place of My dear Kuthumi, the beloved Lord Lanto. So My family grows larger, It grows larger so far as the Chohanship is concerned, It grows larger as each dear and blessed chela holds My hand and chooses to receive the Comfort which I can give and chooses to enter into Our Retreat at Ceylon, learning to become a Comforting Presence in himself or herself to all of life in distress.

### *Comfort is not a negative feeling*

Comfort is a very positive Virtue, It is like Mercy. Neither of these Virtues is negative in quality. They are positive pressures of energy. Now let us think it through and counsel together, as I do with My beloved Sons and My lovely Daughter, Nada. Let us think on the quality of Comfort. An unascended individual, as well as an animal in distress, is releasing energy CHARGED with

the quality of pain, agony or unhappiness of some kind. That energy is usually a great deal more active, when an individual or even an animal, is in distress, than the energy that is around them while they are temporarily at peace.

Therefore, the aura of the individual or the animal in distress who desires Comfort, help and assistance is about three times as large and moves with about nine times the rapidity of the same individual or animal in their normal happy little orbit where they are secure and safe. That is something to really think on. You are dealing with a rapid vibratory action *discordantly qualified* with the emotional world in a sea of chaotic feeling, where the mental world cannot concentrate, where the etheric body is filled with all the memories of disappointments of the past and where the physical body or some member or portion of it is in distress. That forms the energy which you, who desires to be a Comforting Presence, will have to meet. All right. Now if, as a Comforting Presence, you assume a negative feeling and even mentally encompass in your arms that entire condition or person, you draw into your own emotional, mental, etheric and physical bodies exactly the condition which the other individual had and there are then two people in distress. This does not mean that you should not be compassionate, merciful, understanding and tolerant, but it means that you must be as the beloved Jesus said: Wise as a serpent and gentle as a dove.

### *How to bring Comfort to discordant conditions*

When these conditions express even through one individual, you may practice this, because there will be times when you will have hundreds, maybe thousands of individuals, whom you shall have to protect, comfort and guide. You all have some one on whom you can practice. When these conditions arise in the other individual, please, in the name of God, the "I Am" Presence, have discrimination and do not speak immediately. Hold the dignity of your silence as long as you are able so to do. Direct your attention to your "I Am" Presence, then allow it to expand your light through your Holy Christ Flame through you, then call to Me, your own Elder Brother, Maha Chohan, and allow Me, through you, to direct the currents into the person, place, condition or thing you are assisting. Do not even raise your hands when you are endeavoring to help antagonistic individuals, because you rouse the sleeping tiger, their human creation. This can all be done absolutely in the power of the silence. As you are seated, or preferably standing, you have the guard over your own solar plexus and feeling world. Then allow that radiance which I promise I shall give, to flow through you, and through your own spheres of influence, to bless all in distress.

After some practice, because first it will take you longer to accomplish this activity of being a Comforting Presence to life, after a time you will master more quickly this very simple application. When the other individual is quiet, then is the time for a few *well chosen words;* words that will give him peace in the mind, in the consciousness, until he returns to you to be comforted all over again.

### *Patience a Requisite*

I can tell you, beloved ones, that those of you who are being trained to be a Comforting Presence, shall learn *Patience,* for you do not comfort a human being once and have it done for ever. I have comforted more lifestreams since I have assumed this Office than I would care to record. They are almost always the same ones that come back again and again for comfort. However, it is My joy, My privilege and my honor to comfort them until one day, oh, that magnificent day, when they are alert and say: "Now, how can I learn to control my energy and be a Comforting Presence?" Oh, beloved ones, when you have waited for hundreds of years, those are sweet, sweet words. You will learn too, beloved ones, particularly those who live in the great metropolises on the Earth's surface, what is to comfort life again, again and again. To give of your love, of your light and substance and energy, and find returning to you those same individuals only when they are in dire distress.

That is part of the training for Chohanship and it is part of the training for My successor Who will assume the office of the Maha Chohan, as I too ascend the ladder of evolution when the Cosmic Moment allows, and there is someone ready to give the assistance which I presently give to the Earth and its attendant evolutions.

At the present time, howsoever, having come so close to my chelas, My beloved Pallas Athena and I having read over so lovingly so many letters written, so innocently containing within themselves matter, not only of Cosmic, Spiritual and soul import, but matters concerning the most mundane events, I desire to remain a part of this great Cosmic Era when My gracious and beautiful Ascended Master Saint Germain shall see externalized in the planet Earth the beauty of a permanent Golden Age, where comfort will be the aura of the Earth. The radiance which flows forth from this sweet Star shall be a comfort as it rises and becomes a part of the Music of the Spheres. Oh, if you could see how earnestly all of the great Chohans and the Hierarchs of the many Ascended Masters Retreats prepare for this Era, if you could see how much your Sponsors have done, if you see how much is being prepared right now at this half-

yearly Council for the benefaction of your dear and blessed selves as well as that of all mankind, all living things, all belonging to this evolution, your hearts would rejoice indeed.

### *We are in a period of Initiations*

Oh, surely you are going through some severe initiations, there is not one in this Activity who is not passing through initiations; each of you in different Temples of initiation according to your light and the capacity of your individual lifestream to meet and conquer certain destructive karma, individual and assumed. Let me remind you that when you pass through such initiations, your Divine Sponsor is always with you, invisible often, but directing the Protective Ray from His own Flame and Heart to see you God-successful and God-victorious in the light, until that great hour comes, for which so many of you long, when the call for the Ascension comes from your "I Am" Presence, and beloved Serapis Bey, blessed Son of Light, signifies that you are ready to come "Home". Then I have the task of receiving your last breath. After all is said and done, as the beloved One said yesterday, even the most sincere chelas hold on to that breath, when so gracefully and in such dignity I can take you "Home".

It is not so light a task to give the first breath to the infant that is born, full of vitality and promise and breathes into its lungs the breath of life; knowing yet the glory of the Inner Realms, knowing yet some of the perfection of the Ascended Masters' Temples in which the soul dwelt, even though that infant form does not seem, for a time, to focus his attention upon the world without, either through sight or any other of his outer faculties. That particular activity at present is the mercy of life, to give time for the great builders of form and the Holy Christ Self of such an one to anchor in, through and around that baby boy or girl the life, light and protection which will be required once the senses are open to sight, to hearing and to all the faculties that are utilized by mankind and which records so much discord in the individual's world.

### *The New Era*

When we come into the New Era, when mankind has raised itself out of the degradation of the present day experience of birth and death, when again the child is born in dignity through the direction of the light rays from the hearts, heads and hands of the parents, into electronic light, where the Immortal victorious Three-fold Flame is established and around Which a beautiful light body is created, then we shall see the Seventh Root Race and Its several sub-races come forth quickly and the Great Divine

Director, Manu of the Seventh Root Race, will be able to manifest His portion of the Divine Plan. Unto that day, unto that hour, do We serve and do you, individually, serve.

Beloved and blessed ones of the light, those days which I have described *were* once manifested on this very Earth. Some of you have known on other planets, on other suns and other stars the activity of the precipitation of the individuality of a beautiful lifestream. You have seen the etherealization of that lifestream in dignity within the Flame at the close of a certain span. That is why birth and death today as manifested on the face of the Earth is often repugnant to advanced and illumined lifestreams. That is why the Great Goddess of Mercy, beloved Kwan Yin, Holy Mary, the Mother of Blessed Jesus, and beloved Meta, Daughter of Sanat Kumara, have sent into the atmosphere of Earth individuals who can give that assistance to those entering into Earth life through the gates of birth and passing again from the Earth plane, through the gates of so-called death, while such conditions remain.

### *Remove the cause and core of rebellion*

Meanwhile to you, each and everyone desiring to become a Comforting Presence to life, I say, learn, in patience, to remove the cause and core in your own lifestream of all rebellions, resentments and disdain for that which is not yet perfect. Thus you can be a Comforting Presence wherever you move. No divine Being, the Great Goddess of Light, beloved Astrea, Mary of the Immaculate Hands and the Gracious Heart, pull aside Their skirts from even the most discordant and repugnant appearances, but They go, in all Their kindness, into those conditions and into those places to give God-assistance. They are the Great Examples for earnest chelas who desire to be a Comforting Presence to life.

The greater your light, the wider the scope of your understanding, the wiser your minds, the purer your vehicles, *the more humble you become.* I will tell you that the great Lord of the World is One of the humblest of Beings; and Sanat Kumara, in all the majesty of His magnificent Presence, and the Lady Master Venus, His beautiful Complement, have eyes like those of children and have graciousness radiating around Them which forms the hem of Their Spiritual Garments. There is no Divine, Cosmic, Ascended, Cherubic, Seraphic or Angelic Being who is not, *at all times,* kind although some times firm. Sometimes it is required that one be firm, but if your feelings are kindly before you use the directives that are necessary, your firmness can never hurt any part of life. If your directives come forth, as they must of course, particularly through those of

# THE MASTERS OF WISDOM SPEAK

## (ON: THE JOY OF GIVING OBEDIENCE TO GOD'S HOLY WILL)

***MAHA CHOHAN:***

The only true and lasting happiness for any self-conscious intelligence is to willingly accept, cognize and do God's Holy Will in whatsoever sphere such an intelligence presently functions. Mankind for the most part have feared to relinquish their own human will to that of the Heavenly Father, feeling that in so doing their habits, tendencies and human nature will be curtailed in its expression.

The Truth is that the Divine Will of the Heavenly Father for all His children is to expand the virtues, talents, gifts and powers of His Nature through them for their personal blessing and the benefaction of the race to which they presently belong. When the chela comes to a true understanding that the surrender of the personal (outer) will to the Heavenly Father brings lasting peace and abundant joy in all his avenues of expression, such an one is truly upon the Path toward Spiritual Freedom.

***EL MORYA:***

I shall affirm and re-affirm so long as "I Am" the Representative of God's Holy Will for this sweet Earth and Her attendant evolutions that THAT WILL IS GOOD! I cannot over-emphasize the fact that, through erroneous teachings and accepted doctrines every vicissitude which befalls the human race is always placed unjustly as God's Will for peoples, nations and even the Planet Itself. I shall continue to affirm and re-affirm that the limitations manifesting in, through and around all the evolutions presently using this sweet Earth as a Schoolroom are the result of conscious mis-use of free will as endowed by The Father of all life, and which manifests in the respective worlds of their *human* creators.

My affirmations carrying the full pressure of the Truth proven in My Own experiences is a powerful radiation which flows constantly into the mental, emotional and physical strata wherein most unascended beings presently abide (whether embodied or disembodied). The acceptance of this Truth by the chelas and the practical use of this knowledge will enable them to experience personally the joy of giving obedience to God's Holy Will.

***LANTO (newly appointed Chohan of the Second Ray):***

For many centuries, I have devoted Myself to the development of a natural reverence for life, knowing that life in itself is a primal and priceless gift from the Heavenly Father. The mis-use of that life which has created all the distresses and limitations apparent on the screen of life is due to lack of understanding how to use the creative principles of thought, feeling, spoken word and action to design and precipitate the beauty in any sphere in which a self-conscious being dwells. As beauty is synonymous with Godliness, it is Our endeavor through the beloved chelas who are willing to learn how to control their creative faculties to assist them to re-create the beauty and Godliness in their own emotional, mental, etheric and physical vehicles and then be conductors of that true Spiritual Beauty and Godliness through their spheres of influence into the world about them.

***PAUL (The Venetian Master):***

Loving, willing obedience to God's Holy Will allows the Immortal Three-fold Flame within the heart opportunity to expand and externalize the particular portion of the Divine Plan which the Heavenly Father desires to externalize through each one of His children. Until the outer self honestly desires to cooperate with the Heavenly Father and allow Him the full courtesy of externalizing that particular portion of the Divine Plan through such an one, the Divine Tapestry of God's Kingdom manifested here on Earth cannot be completed.

We, the Brothers and Sisters of the Third Ray, have dedicated Our lives and services to nourishing the latent talents and gifts of all God's children century after century as they have had opportunity to re-embody again and again upon the Earth and fulfill their Divine Destiny. Now, as the Cosmic Hour is already upon Us, when such a Heavenly Kingdom is to be quickly established upon this sweet Earth under the direction of My Beloved Brother, the Ascended Master Saint Germain, We are grateful indeed for the assistance of the entire Spiritual Hierarchy Who are endeavoring to reach the outer consciousness of the chelas and to emphasize that loving obedience to God's Holy Will will bring them individually joy and happiness and establish upon the Earth the perfection WHICH is now known only in the Ascended Masters' Octave.

***SERAPIS BEY:***

Obedience, like order, is one of Heaven's First Laws. Every Divine Being follows the Laws of Obedience and Divine Order in the performance of Their respective services to life. Unascended chelas, earnest and sincere though they may be, ofttimes rebel against obedience to a Higher Intelligence feeling that they are losing their sense of independence and the right to self expression? As Hierarch at Luxor, I have for many centuries learned the devious excuses of personalities who whole-heartedly desire the harvest of Spiritual Freedom yet cling tenaciously to those very personality traits which make such Freedom impossible to attain. There are disciplines which are kindly offered at Luxor, wherein and whereby chelas can overcome these imperfections of character and attain a lasting Spiritual Freedom. However, few there be who are willing to apply the instruction given, abide within the disciplines set forth and know the joy that comes in lovingly cooperating with their Teacher Who leads them always Godward.

Disciplines practiced for "duty's sake" create inner rebellions in the soul and these chelas do not permanently profit thereby. Other chelas, knowing that by the use of these disciplines in loving co-operation with their Teacher are much more quickly graduated into that Freedom to which all mankind aspire. Do not apply for entrance into the rigorous disciplines provided by Myself and the Brotherhood of Luxor if you seek only a palliative for personal discomfort and limitation. Such palliatives are NOT the gifts of Luxor. Our gift to the human race, imprisoned Angels and all imperfect elemental life is the permanent redemption of destructively qualified energy and the permanent Freedom into the natural God Design for each kingdom—and, at the close of each one's service upon this sweet Earth, the Ascension in the Light. Do not consider Us inhospitable but rather kindly in pointing out to you Our particular curriculum, so that you may enter that Ascended Master Retreat which can best accommodate your requirements and desires.

***HILARION:***

Doing God's Holy Will is an exact science which is manifested beautifully through the nature kingdom—each flower, shrub, tree and plant is a manifest expression in each yearly cycle of obedience to the externalization of the Divine Image or Archtype for that particular species, with the exception of that portion of the nature kingdom which has been temporarily polluted by the pressure and effluvia of the mankind of Earth who have used it so long for a playground rather than a schoolroom.

It is time that the mankind of Earth apply to the Heavenly Father and their own Divine Archtype (Individualized "I Am" Presence) for knowledge as to what is their particular part in manifesting the Kingdom of Heaven here on Earth as well as in any sphere in which they may dwell between embodiments. The same science is applicable to mankind and the Cosmic Moment is upon Us when everyone of the ten billion souls presently belonging to the Earth's evolution contribute a constructive benefaction to the Earth and Its attendant evolutions. We are willing to teach this science to any and all who care to visit Us at the Temple of Truth over the Island of Crete. I shall expect those of you who are sincerely interested in being a part of this glorious redemptive process to so visit Us there. I shall further expect that the Truth so invested in you shall be manifested as practical works in the world of form.

***NADA:***

Through My Own experiences, even before My Ascension, I learned that the generation and projection of Pure Divine Love to the Holy Christ Flame of any unascended lifestream caused that Flame to expand Its virtues, gifts, powers and blessings through the outer personality. This service I rendered silently, with discrimination, under the direction of My Beloved Guru Charity and the fruits of My application resulted in the harmonious expression of God's Holy Will through those to whom I was assigned to serve. The blessed chelas seeking also to help to free the powers of the Holy Christ Selves of all mankind are humbly invited to ask Me, as well as the Beloved Charity, to give to them Our feeling of impersonal Divine Love to the Holy Christ Selves of the individuals in their immediate environment. Then such chelas humbly and without spiritual pride can and will enjoy the development of those talents and gifts through their associates. Thus the chelas become qualified to expand their services to a larger sphere of influence. Loving imprisoned life free is one of the greatest joys which can be experienced by any chela. The efficacy of such service and its ever expanding radiation will be determined by the humility of the chela using this application and remaining silent when the fruits of his labors are manifest. Rejoice in the works well done but never, under any pressures of a personal nature, reveal yourself as the instrument through which the Holy Will of God has been resuscitated and externalized, either through yourself or others.

***SAINT GERMAIN:***

"I Am" so grateful for the loving, willing obedience of the Spiritual Hierarchy, the Angelic Host, the Cherubic and Seraphic Kingdoms and the earnest and sincere chelas in assisting Me to establish the Permanent Golden Age of Freedom on this Earth. The destiny of the new Golden Age is for the Angelic Kingdom, the human kingdom and the elemental kingdom to lovingly and consciously cooperate with each other in creating and sustaining a virtual Paradise wherein all life free of every limitation and discord shall fulfill its individual and collective Divine Plan. To this end do We serve and, knowing Our vision, We call around the Standard of Freedom those chelas who have served that vision and desire quickly to make it a fact. To all who have already participated toward this end "I Am" most grateful, to those who are presently engaged in this service, "I Am" thankful indeed. In the name of the incoming children and the generations yet to be born who will reap the harvest lovingly sown by those who have gone before them, I give thanks to God and to all who have participated in this preparatory cycle.

## FEAST OF SAINT MICHAEL, THE ARCHANGEL

(September 29, 1958)

The Beloved Lord Michael, Prince of the Archangels, has voluntarily served all imprisoned life in the Earth, on Its Surface and in Its Atmosphere, ever since the veil of maya was spun out of the outer consciousness of mankind.

When the laggards from the other Stars and Planets were first destined to use the Earth as a Planetary Home, Lord Michael, wisely, began His preparation for defending the Faith in God's Holy Will through all the souls who belonged to Earth's evolutions. Seeing the seeds of rebellion, discord and discontent in the consciousness of those laggards, which made it impossible for them to evolve with their own Stars and Planets, Lord Michael knew that the spawn of such seeds of imperfection would find temporary root in the consciousness of other lifestreams who had, until that time, only known the Goodness of God, and who had lovingly, graciously and reverently obeyed His Holy Will, thus sustaining the atmosphere of Earth in a state of purity and grace.

Lord Michael created then His glorious Sword of Blue Flame and has used It, efficaciously, ever since to cut away the discordant human creations which, through contagion, the mankind of Earth accepted into their own consciousness and later externalized into the atmosphere about them.

Lord Michael, together with His Limitless Legions of Angels, has constantly watched for every opportunity to set individuals free from any type of limitation and distress. In His Own arms, He has carried many a weary soul, who has passed through the change called death, into the Sleepers Realm and placed such an one gently upon a couch, under the supervision of One of His Own Legions, Who guarded that soul until it was time for such an one to awaken and enter the Halls of Karma for judgment as to his or her use of life in the past embodiment.

Lord Michael, then, Himself accompanied that soul to the Halls of Karma, giving of His courage, strength, love and light, so that the soul would be strong enough to present the record of his own "book of life" for an embodiment in which, ofttimes, opportunities were great but use of such opportunities for the blessings of the race were embarrassingly few.

All year long, the services of Lord Michael and His Legions of Angels continues, with but one purpose, TO SET IMPRISONED LIFE FREE. Multiply this by the centuries of time which have

passed since first the veil of maya was created between the Ascended Masters Realm and the human octave, and you will understand why at least *one day* in each year is given to commemoration of His Services and gratitude for His Presence in the Universe. Of course, chelas conscious of His Service, honor Him every day.

However, the entire world chooses to give Him recognition on September 29th of each year. The Silent Watchers, the Ceremonial Angels, the Seraphim and Cherubim, gather all the prayer force and devotion given to Him on this day, and (as the Harvest of the Angels is also brought to Him at the end of this month) He has a great deal of consecrated energy at His command which He, in turn, uses to continue His Service of Protection of the Souls of men, dissolving of humanly created entities (all the vices to which men have fallen prey), and the injection, through His Own Beautiful Presence, of FAITH IN THE GOODNESS AND ULTIMATE VICTORY OF GOD THROUGH EVERY LIFESTREAM WHO HAS IN THE PAST, DOES NOW IN THE PRESENT, OR WILL IN THE FUTURE, USE THE EARTH AS A SCHOOLROOM.

As the New Era of the Ascended Master Saint Germain requires the conscious, loving cooperation among the Angelic Kingdom, the human kingdom and the elemental kingdom, Lord Michael and His Helpers (Divine and human) are serving with even greater enthusiasm and devotion to this Cause NOW!

To those interested in the liberation of all imprisoned life, we heartily recommend you to apply to the Beloved Archangel Michael for assistance and in so doing become a co-partner with Him on Earth.

EL MORYA.

(A suggested invocation to Beloved Lord Michael is given below:)

In the Name of the Presence of God "I AM" in us we call to You, Lord Michael, Prince of the Heavenly Host to assist us to become worthy of serving with you:

To become liberators of all imprisoned life into its God-free estate;

To cognize instantly requirement for protection of the souls of men wheresoever they may abide;

To remember daily to invoke the Presence of Your Beloved Self and Your God-free Angels on behalf of all those who have passed through the veil of so-called death that they may be taken quickly through the psychic and astral realm into the Ascension Temples provided in Your loving mercy and learn the Law of Love at the feet of the Ascended Masters.

To You, Beloved Lord Michael, we the children of Earth send our gratitude for your assistance and loving protection through the ages.

## THE LOVING COOPERATION OF ANGELS, ILLUMINED HUMAN BEINGS AND THE ELEMENTAL KINGDOM

In the ages before the veil of maya was created shutting out the visible, tangible Presence of the Divine Beings Who were the Counselors of the race as well as their obedient Servants, the Angelic, Cherubic and Seraphic Hosts, the Earth was likened unto the Kingdom of Heaven. Every man, woman and child having access to these Divine Personages as well as individual contact with their own Divine "I Am" Presence, Whose directions all followed in loving, joyous cooperative obedience to God's Holy Will.

The New Golden Age, which is My joyous opportunity to bring forth on this sweet Earth, will again manifest the loving, joyous cooperation of these three kingdoms, which are even now being purified preparatory to that day when Angels, men and elementals shall serve together with ONE PURPOSE in making of this sweet Earth Freedom's Holy Star.

The Angelic Host is by Its very nature obedient to God's Holy Will; the Elemental Kingdom through the influence of its mighty Directors have served mankind long and faithfully, with little conscious recognition of such patient and constant service. However, mankind, for the most part, through the destructive use of his free will has up to this time refused to lovingly cooperate with the other two kingdoms, who have literally sustained man's spiritual, as well as physical presence here on the Earth. This day is over! The Cosmic Fiat has gone forth to the Great White Brotherhood, Who in turn have instructed Their trusted chelas to this effect that mankind must arise out of the dependency upon their unseen Protectors and Guides. The Elemental Kingdom held in leash by their mighty Directors have become rebellious at the ingratitude of the beneficiaries of their services through aeons of time. The Angels, of course, are never subject to human feelings and willing cooperate in rendering Their service of loving ministration to a recalcitrant race. However, as the Permanent Golden Age REQUIRES the conscious cooperation of the three kingdoms to re-create the beauty indicative of the Seventh Ray, of which "I Am" the present Representative, I do implore those interested in this Cosmic Event to help Us to remove from the Elemental Kingdom all those rebellions and resentments which could cause unnecessary cataclysmic action, to invite the Presence of the Angelic Host into their midst as living, intelligent Beings Who can assist Them in creating and sustaining a state of Listening Grace, and to, wherever discretion allows, bring to the attention of their contemporaries the beauty which will

result in such loving cooperation among Angels, men and the Elemental Kingdom.

To this end I look trustingly towards My dear and earnest chelas who have vowed to serve the Cause of Spiritual Freedom and to help, according to their developed capacities, to prepare for this day. Thanking you for your continued service in the future, "I Am" always your loving Friend, Guru and Servant, as you continue in your individual and collective endeavors to liberate all imprisoned life.

## Beloved Lord Maha Chohan's Address

*(Continued from page 11)*

you who are going to handle great numbers of people, while your own feelings, your own thoughts and your own memories are disturbed, those directives carry the lower vibratory action of your outer self.

So please, those of you who are handling any number of people, and everyone in this Activity will handle greater numbers of people, as they learn to control themselves, *learn to become still within yourself* and then call to the loving Presence of God "I Am" and to anyone of the Members of the Third Ray or Myself, then your directives going forth, although they are positive, are enfolded in Our love.

Why think you, that great Beings like the Beloved Ascended Masters, Morya, Serapis, Hilarion and Others are screened through My very consciousness before Their energies reach the vibratory action of your aura? Because of the vibrant Power and energy of such Beings which would be truly overwhelming to the outer self.

There is not one person in this Activity who knows, for I have never chosen to reveal it, that I always stand between the audience and the speaker, so that any Being, Elohim, Archangel, Chohan, Whoever He or She may be would have the momentum of that love which is Mine, through which Their Rays flow to bless all in the group.

Now, as some dear chelas seem weary and as the outer minds tire so quickly when we talk on Celestial things, and yet they can spend hours of time talking of things terrestrial, I shall, in courtesy, give you My blessing and adieu.

## WHAT THE ASCENDED MASTERS HAVE SAID

### *The Miracle of Resurrection*

Within life itself is the power of resurrection, of renewal, of survival and resuscitation. The Kingdom of Nature, through which I'm privileged to serve, lives in obedience to this natural gift and power. By its use, every species sustains itself for the blessing, nourishment and benefit of the human kingdom. The glorious flowers, the verdant life-pulse manifest in the springtime are the proof of the "possibility" of resurrection. May mankind soon awaken sufficiently to this self-evident truth written across the face of the earth they inhabit . . . and may they draw the resurrection currents through their own souls to recreate the glory, the perfection, the beauty and mastery which they had in the beginning before the world itself was.

MAHA CHOHAN

### *How to Precipitate*

The power to think creates form. The power to feel fills that form with life. These two activities precede all precipitation (conscious or otherwise). Most people do not control their thinking faculties and thus the forms created by their thoughts are indistinct and imperfect. Learn to use your thought to create a clear-cut, distinct pattern of that which you desire to precipitate. Then learn to actually generate feelings of happiness, joy and perfection and thus fill the cup which is created by your thought. As you do this for a few minutes at a time, earnestly and without strain, you will begin to *enjoy* your "practice of precipitation." Then, one day, you will hold in your hand the actual thought-picture, energized by your feelings, which has become a physical reality to bless you and others. The question arises: "Does this precipitation come directly out of the atmosphere or is it brought into my world in a natural way through some individual?" At first, the precipitations may come through individuals. As one progresses, they can be and sometimes are manifested directly from the Universal without the medium of intercession by another unascended lifestream. Any tension and unbelief in the chela greatly retards his use of the power of precipitation and awaiting a manifestation right out of the atmosphere would not create the proper state of receptivity for the beginner. However, when such a beginner starts to receive the objects which he has so faithfully created and nourished (even though they come through human beings) he gains confidence and can then endeavor to produce actual direct precipitation. It is always wise to begin conscious precipitation with a small object, such as, for instance, the rose suggested by beloved Paul, because it is easy to picture a rose and takes less energy to make the mental image and less energy to give to it perfume, color and body.
